

# Production

*designing and manufacturing fields of Precision Casting, Engineering Services  
for Defense Industry and Aviation Sector.*

In Cooperation With

**OUR SISTER COMPANY**

Composite, Aviation Defense Machinery Industry Ltd.

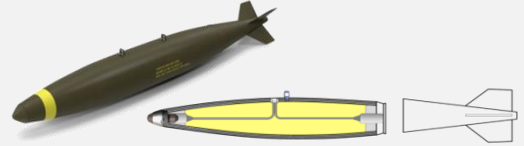

# Production

Together with our partner Sister Company, we provide services in the design and manufacturing fields of Precision Casting, Engineering Services (design and manufacturing), various Mass Production Lines which are expert in Defense Industry and Aviation Sector.

We have been serving and providing great support to Turkish Defense Industry (e.g. MKEK, Roketsan, Aselsan) providing sub assemblies to National Government Based Companies for many years.

As far as company itself concern, however, the management staff of the company are highly experienced and qualified in engineering, design and production of various military and civil industry projects.

**MK-82, 83, 84 General Purpose Aircraft Bomb**  
**MK-82 Pre-Frag Aircraft Bomb**  
(Body and tail only-No explosive filling)

**Chaff-Flare Case**  
**Aircraft**  
(Body only-No explosive filling)

**66 mm M72 LAW**  
(Anti-Tank Rocket Launcher)

**122 mm Multi-Barrel Rocket System**  
(Metal Parts Only-No explosive/energetics filling)

**40 mm MOD 60 HE Bomb Body and**  
**25 mm TP-TM 793 Tracer Bullet Wind Head**  
(Metal Parts Only-No explosive filling)

**Various Type Hand Grenades**  
(Metal Parts Only-No explosive filling)

**4,5 and 25 lb Practice Bombs**  
**Aircraft**  
(Body and tail)

# Production

<p><b>A7-54 Gun Barrels</b></p>	
<p><b>37/38/40 mm Single and Multi Shot Gas Gun</b> (Pistol Type, Spring action magazine drum)</p>	
<p><b>40/70 mm Ammo Brass Case</b></p>	
<p><b>Hydraulic Cutter</b></p>	
<p><b>Type I, 34CrMo4 Steel CNG Cylinders</b> (200 Bar operating Pressure 450 Bar Burst Pressure)</p>	

**Latest Deliveries;**

- MK-82 500 lb Aircraft Bomb Body, Tail Unit and other parts
- MK-84 2000 lb Aircraft Bomb Body, Tail Unit and other parts
- MK-82 500 lb Frag. Aircraft Bomb Body, Tail Unit and other parts
- 40-70 m HE-PFF Ammo
- 2,75 Mk-40 Mod-3 and Mk-4 Mod-10 Rocket Parts
- 122 mm Artillery Rocket Parts
- 37/38 mm Gas Gun
- Water Disrupter
- 81 mm Mortar parts
- 60 mm Mortar parts
- 120 mm Mortar parts
- 105 mm Artillery Gun Barrel Parts
- 155 mm Artillery Ammo Parts
- 25 mm Anti-Aircraft Cartridge
- 66 mm HAR System
- Composite parts
- 2000 lb Penetrating Aircraft Bomb Body, Tail and other parts
- 1 inch Signal Pistol and Signal Cartridge
- Pistol Barrel and Body
- 40 mm Grenade Launcher/Revolver
- Chaff-Flare Cartridge Cases

Our company incorporate simultaneous production and assembling of large lots of **Rockets, Aerial Bombs, Industry Products** and other technologies.

We offer wide variety of its products to the customer and always ready to support your needs.

If you are interested in our proposal, we will be able to provide more detailed and commercial classified technical information.
